

Rice cooker Metos Proctor Silex Commercial 60 cup

MG4147632

The Metos 37560R rice cooker is made to withstand continuous, hard use. The insulated, double-walled construction and heated lid ensure a smooth, perfect cooking result for the rice. When the rice is ready, the appliance automatically switches to the warm keeping function, keeping the rice warm and moist, ready to be served. Rice cooker Metos 37560R has a maximum cooking capacity of 4.9 kg of raw rice. The rice cooker has a lid that opens with a handy push button. When the lid is opened, the moisture accumulated in it drains into a separate drip tank, which prevents water from dripping onto the table. The removable lining of the lid together with the non-stick surface of the bowl facilitates cleaning the appliance. The rice cooker can be used to cook white, brown or jasmine rice. It can be also used to make porridge.

- capacity 4.9 kg of raw rice.
- warm keeping function
- non-stick surface in rice bowl
- outer surface in stainless steel

DELIVERY INCLUDES:

- measuring cup 900 ml
- paddle
