

# Mixer Metos Bear AR40 VL-1 with manual control and attachment drive 440V

MG4143111M

Powerful but quiet motor, stepless speed control, unique bowl clamping system and digital timer makes this manual controlled Metos Bear AR40 VL-1 mixer an incomparable kitchen help.

The marine mixer is equipped with an attachment drive for a meat mincer and vegetable cutter (options).

The bowl lifting and lowering and also stepless speed control are controlled by the levers that located on the right side of the machine. The bowl lowering with gas dampers provides a soft bowl lowering and improved ergonomics. The variable speed system ensures the mixer processes all ingredients optimally.

The Metos Bear AR40 VL-1 mixer features a unique clamping system. The bowl is placed between the bowl arms that lifts the bowl into place and automatically raises it to the correct working height.

The capacity of Metos Bear AR40 VL-1 for 40 liter bowl; 22 kg bread dough 50%, 23 kg mashed potatoes, 10 liter whipped cream.

The transparent safety guard protects against dust and also prevents the flour dusting to the room. The safety guard has an integrated filling chute. The guard can be removed without any mechanical fittings.

A control panel has a smooth uniform surface with recessed buttons and rubber sealing for improved hygiene. The machine body is made of powder coated steel which makes it easy to clean. The bowl, beater and hook are made of stainless steel and are therefore dishwasher safe.

The stainless steel scraper, which is available as an optional accessory, is equipped with Teflon blade. The scraper keeps the

sides of the bowl clean and eliminates the need for manual scraping. Using the scraper you will increase mixing volume and improve the utilization of the raw materials. A stop during whipping and mixing is totally unnecessary.
