

Ice maker Metos Cherry C28 A 60Hz

MG4173188ME

The Metos C-series ice makers are efficient ice cube makers with their own ice container. The compact dimensions of the machines make them suitable for small spaces, as well as allows them to be installed below a surface. The machines produce clear, transparent ice cubes that help the drink stay cool longer. This is why the C-series' ice machines are perfect for bars, cafes, small restaurants and kiosks.

Special attention has been paid to the hygiene and ease of use in the design of the machines. The machines have an automatic washing system that ensures easy cleaning. The internal cleaning and maintenance of the machine is also effortless due to easy access. The frame of the machine is made of wear-resistant and easy-to-clean stainless steel. The controls of the machines work electronically, which allows the detection of malfunctions and can be used to determine the efficiency of the machine.

The IceWorld APP allows you to have complete control, with a simple touch, of each individual machine via Bluetooth or Wi-Fi.

- air condensation
- filter
- clear and transparent ice cubes that help the drink stay cold longer
- ice cube size 20 g
- water is sprayed into the evaporator
- integrated ice container with door
- stainless steel body
- automatic washing system
- environmentally friendly R290 as refrigerant

DELIVERY INCLUDES:

- ice bucket
- gateway for IceWorld APP
- pressure water hose
- drain hose
- marine feet Ø50mm H100 mm

FACTORY OPTIONS (to be ordered with

the machine):

- ozone programmable sanitation cycle
- Rainbow technology evaporator treatment
- IOT cloud connection
- programmable ice production
- drain pump

The capacity values have been calculated under conditions where the room temperature is 10°C and the water temperature is 10°C. If the water used is warmer, the output of the machine will decrease. the machine):

Ice maker Metos Cherry C28 A 60Hz

Product capacity	production 28kg/24h, bin 6,5kg
Item width mm	340
Item depth mm	480
Item height mm	600/684
Package volume	0.235
Unit of volume	m ³
Package volume	0.235 m ³
Package length	46
Package width	60
Package height	85
Package unit of dimension	cm
Package dimensions (LxWxH)	46x60x85 cm
Net weight	29
Net weight	29 kg
Gross weight	33
Package weight	33 kg
Unit of weight	kg
Connection power kW	0.3
Fuse Size A	10
Connection voltage V	220
Number of phases	1PE
Frequency Hz	60
Protection rating (IP)	21
Type of electrical connection	Plug
Electrical conn. height mm	136
Cold water diam.	3/4"
Cold water conn. height mm	56
Drain diameter	Ø 20
Drain conn. height mm	136

Ice maker Metos Cherry C28 A 60Hz

Cooling capacity W	653
Type of the refrigerant	R290
Quantity of refrigerant g	80
Remarks (refrigeration)	GWP=3
Cleaning	washing program
Ice type	ice cube
Cooling unit	With cooling unit
Method of condensation	air condensing
Defrosting	automatic
Model	air condensation - with ice bin
