

Dishwasher Metos LUX

60EL PS 440/3/60

MG4246052MM

High-Tech double skin under-counter dishwasher is designed for heavy duty use in professional kitchens and restaurants. The digital control panel is easy to use and its signal lights indicate the different cycles. Diagnostic function supports self-monitoring.

- hot or cold water connection
- four wash programs (1, 2, 3 and 5 minutes)
- automatic cleaning program
- max height for dishes 325 mm
- able to wash GN1/1 container
- signal lights indicate the different cycles and temperatures
- diagnostic function ensures a sufficiently high temperature in the final rinse
- rounded edges in the tank facilitate cleaning
- easy to remove wash arm
- acoustic and thermal insulation keeps the noise level and the surface temperature low

Delivery includes:

- detergent dispenser
- rinse aid dispenser
- basket for plates
- basket for glasses
- cutlery holder
- connection hose for tap water
- Soft start: progressive start of the wash pump
- Drain pump
- Marine feet + lock

Optional (to be ordered separately):

- extra racks
- pre-wash tables and basket trolleys
