

Meat mincer Metos LM-10/P 440/3PE/60 Marine

MG4111343

MEAT MINCERS: These meat grinders have been manufactured to the highest specifications using the latest technology. Because of the precise adjustment of motor and components, the grinders are reliable, maintenance-free and enjoy a long service life. Every detail is thoroughly considered. The meat mincers combine practicality with safety. The quality and reliability of the product is reflected in its individual appearance.

SUFFICIENT POWER FOR ANY APPLICATION: Due to their quiet and smooth running and powerful capacity, Metos grinders offer excellent performance.

SAFE AND HYGIENIC: Metos grinders fulfil all current and pending requirements of the European Standard EN 12331 Mincing Machines.

- grinding capacity 200 kg/hour
- disk diameter 70 mm
- hopper volume 9 litre

Meat mincer Metos LM-10/P 440/3PE/60 Marine

Item width mm	420
Item depth mm	420
Item height mm	300
Package volume	0.135
Unit of volume	m3
Package volume	0.135 m3
Package length	52
Package width	52
Package height	50
Package unit of dimension	cm
Package dimensions (LxWxH)	52x52x50 cm
Net weight	42
Net weight	42 kg
Gross weight	45
Package weight	45 kg
Unit of weight	kg
Connection power kW	1.5
Connection voltage V	440
Number of phases	3PE
Frequency Hz	60
Type of electrical connection	Semifixed
