

Water cooler Metos SCW 14 FP-EVO

Product information

SKU	4160687MP
Product name	Water cooler Metos SCW 14 FP-EVO
Dimensions	404 × 332/410 × 1034/1094 mm
Weight	33,000 kg
Capacity	50 liters of +8- +12°C water/h
Technical information	220-240 V, 10 A, 0,25 kW, 1PE, 50/60 Hz CW: 3/7"
Type of the refrigerant	R134a
Cooling capacity [W]	353

Description

Refrigerated drinking water fountain includes foot pedal activated projector.

- water thermostat positioned in the front of the unit for ease of reach
- cabinet and base finish, as well as all interior metal parts, in stainless steel
- easily removable front panel for routine maintenance & technical service access purposes.
- "Pierce Yourself" style incoming/outgoing utilities passages and internal connection turrets allow for maximum installation flexibility
- High-efficiency water cooling tank and coil
- stainless steel basin is designed to eliminate splashing and stagnant water.
- waterways are lead-free.

- can be used free standing or wall tight to avoid unsightly connections
