

Dryer Primus T35 400/3PE/50 Marine

Product information

SKU	4160764MK
Product name	Dryer Primus T35 400/3PE/50 Marine
Dimensions	965 × 1490 × 1975 mm
Weight	305,000 kg
Capacity	35kg
Technical information	400 V, 36,7 kW, 3PE, 50 Hz

Description

- Industrial type
- stainless steel drum with large diameter
- easy-to-use microprocessor
 - "- RADAX concept: maximal heat transfer
 - "low energy consumption
 - short drying time.
- large door opening for easy loading and unloading
- self cleaning lint screen
